Montgomery County of 2014; Resolution No. 16-1104 of the County Council of Montgomery County, Maryland (the "County Council"), adopted on September 15, 2009, as amended (the "Resolution"); the County Code; certain provisions of the Montgomery County Charter (the "Charter"); and this Order.

Section 3. The Bonds shall be dated the date of their initial delivery and shall be issuable in registered form in the denomination of Five Thousand Dollars (\$5,000) each or any integral multiple thereof. The Bonds will initially be issued in book-entry only form without physical distribution of certificates to the public. The Depository Trust Company, New York, New York ("DTC") will act as the securities depository for the Bonds and the Bonds will be registered in the name of Cede & Co. as nominee for DTC. The Bonds of each issue, when first issued, may be numbered from No. R-1 upward in the order of their maturities or in some other manner which conforms to standard bond registration practices and is acceptable to DTC and the Director of Finance of the County (the "Director of Finance"). Registration books (the "Bond Register") for the Bonds shall be maintained by the County, which shall also act as paying agent for the Bonds (the "Bond Registrar and Paying Agent"). The Director of Finance from time to time may designate a bank or other financial institution to serve as Bond Registrar and Paying Agent upon 30 days' prior written notice to the registered owners of the Bonds.

So long as Cede & Co. is the registered owner of the Bonds, as nominee of DTC, the County will send all payments of principal of and premium, if any, and interest on and notices to Cede & Co., and consider Cede & Co. as registered owner for all other purposes. Principal payments shall be made to Cede & Co. by check, draft or wire transfer at its address as it appears on the Bond Register on the respective payment or redemption dates. Interest shall be paid to Cede & Co. by check, draft or wire transfer at its address as it appears on the Bond Register, such interest being payable semi-annually on June 1 and December 1 in each year (commencing June 1, 2016), accounting from the most recent date to which interest has been paid or, if no interest has been paid, from the date of initial delivery of the Bonds.

The Bonds shall contain similar provisions to and be in substantially the form set forth in Exhibit B attached hereto, with such variations as are necessary or appropriate to reflect the provisions with respect to book-entry bonds set forth herein as long as the Bonds are in book-entry form. So long as the Bonds are in book-entry form, the manual or facsimile signature of the Director of Finance shall be sufficient to authenticate the Bonds. Bonds issued substantially in accordance with such form, with appropriate insertions as indicated, when properly executed and authenticated as required by this Section, shall be deemed to constitute unconditional general obligations of the County, the payment of which, in accordance to the terms thereof, the County's full faith and credit are pledged, and all the covenants and conditions contained in such Bonds shall be deemed to be binding on the County.

Section 4. The Bonds shall be executed in the name of the County and on its behalf by the County Executive, whose signature may be by facsimile, an original or facsimile of the official seal of the County shall be imprinted or otherwise reproduced thereon, attested by the manual or facsimile signature of the Director of Finance, and authenticated by the manual or facsimile signature of the Bond Registrar and Paying Agent.

Section 5. The Bonds shall mature on December 1, in serial installments commencing on

December 1, 2016 and shall bear interest at the rates set forth in the bids selected by the Director of Finance and approved pursuant to a subsequent order. The final maturity of the Bonds shall not be later than December 1, 2045. The provisions provided in this section may be modified by a subsequent order or orders of the County Executive (or the Chief Administration Officer, acting in the capacity of the County Executive).

Section 6. The Bonds are and shall be issued upon the full faith and credit and unlimited taxing power of the County which is hereby pledged to the punctual payment of the principal and redemption price, if any, thereof and interest thereon, and the Bonds shall be payable from unlimited ad valorem taxes levied upon all legally assessable property within the corporate limits of the County. The County does hereby and shall in the Bonds covenant and agree to pay punctually the principal of each of the Bonds and the interest thereon, on the dates and in the manner mentioned therein, according to the true intent and meaning thereof. In and for each and every fiscal year that any of the Bonds are outstanding, there shall be and there is hereby levied an ad valorem tax or taxes upon all the legally assessable property within the corporate limits of the County in rate and amount sufficient, together with other revenues pledged and available therefor, to provide for the payment, when due, of the principal of and interest on all such Bonds becoming due in such fiscal year, and in the event the proceeds from such tax or taxes levied in any fiscal year shall prove inadequate for such payment, additional taxes shall be levied in the succeeding fiscal year to make up any such deficiency.

Section 7. Bonds which mature on or before December 1, 2023, are not subject to redemption prior to their respective maturities. Bonds which mature on or after December 1, 2024, are subject to redemption beginning December 1, 2023 as a whole or in part at any time thereafter, in any order of their maturities, at the option of the County, at a redemption price for each bond equal to the principal amount of the Bond to be redeemed, together with interest accrued to the date fixed for redemption, without premium. The redemption provisions provided in this section may be modified by subsequent order or orders of the County Executive (or the Chief Administration Officer, acting in the capacity of the County Executive).

Section 8. (a) The Bonds shall be issued, delivered and sold at public sale upon electronic proposals via the BiDCOMP/Parity Competitive Bidding System ("PARITY") or via such other electronic bidding system as may be determined by subsequent order or orders of the County Executive (or the Chief Administration Officer, acting in the capacity of the County Executive), in such manner and for such price or prices, not less than the principal amount thereof and accrued interest thereon, as may be determined by the Director of Finance. The Bonds shall be sold in accordance with the Official Notice of Sale (as defined below).

(b) The official Notice of Sale (the "Notice of Sale") pertaining to the Bonds shall be substantially in the form set forth in Appendix C to the Preliminary Official Statement relating to the Bonds (the "Preliminary Official Statement"), a copy of which is attached hereto as Exhibit C, subject to such additions, deletions and amendments as shall be approved by the Director of Finance, publication of such Preliminary Official Statement to constitute conclusive evidence of approval by the Director of Finance and the terms, provisions and conditions set forth in such form of Notice of Sale are hereby adopted and approved as the terms, provisions and conditions under which and in the manner in which

the Bonds shall be sold, issued and delivered at public sale.

The Director of Finance is hereby authorized to cause to be prepared an Official Statement, and any necessary supplements or addenda thereto. The Preliminary Official Statement and the Official Statement shall contain such financial and other data as are customarily found in such publications and as may be deemed appropriate by the Director of Finance. The Director of Finance is further authorized to take such actions on behalf of the County as they deem appropriate or necessary to comply with Rule 15c2-12 (hereinafter defined) in connection with the offering and sale of the Bonds.

(c) The Director of Finance is hereby authorized and directed to publish a summary of the Notice of Sale for the Bonds at least twice in one or more daily or weekly newspapers having a general circulation in Montgomery County, Maryland, the first such publication to be at least ten (10) days prior to the date of sale. The summary notice of sale shall be published in substantially the form as approved by the Director of Finance, the publication of such notice to constitute conclusive evidence of the approval of the Director of Finance.

Section 9. Immediately after the sale of the Bonds, the aggregate principal amount of the Bonds to be issued, the interest rate or rates payable on the Bonds, the maturity schedule for the Bonds, the dated date and interest payment dates for the Bonds and the redemption provisions relating to the Bonds, shall be fixed by an executive order of the County Executive (or the Chief Administrative Officer, acting in the capacity of the County Executive and in accordance with the terms of this Order), subject to the provisions hereof and in accordance with the terms and conditions of the sale of the Bonds.

Section 10. The proceeds from the sale of the Bonds, including any premium and accrued interest therefor, shall be paid directly to the Director of Finance who shall deposit the same in the proper accounts of the County to finance the acquisition, construction and equipping of certain Public Facilities of the County, to repay the Notes and to pay the cost of issuing the Bonds.

Section 11. It is hereby determined that it is necessary and appropriate for the County to execute and deliver a Continuing Disclosure Agreement ("Continuing Disclosure Agreement") in accordance with the provisions of Rule 15c2-12 of the Securities and Exchange Act of 1934 ("Rule 15c2-12"), for the benefit of the registered owners from time to time of the Bonds, in order to enable the successful bidder for the Bonds (including any of such bidder's associates constituting "principal underwriters" within the meaning of Rule 15c2-12) to comply with the requirements of Rule 15c2-12. The Director of Finance shall execute and deliver the Continuing Disclosure Agreement substantially in the form attached as Appendix B to the Preliminary Official Statement, with such changes therein as bond counsel to the County may advise.

Section 12. There may be deducted from the gross proceeds received from the sale of the Bonds the cost of advertising, underwriting fees, printing and legal fees and fees of other professionals, and expenses relating to such sale as may be determined by the Director of Finance. There may also be deducted from the gross proceeds of the sale of the Bonds any other incidental expenses relating thereto and the reimbursement of the general tax receipts of the County for any monies previously expended therefrom for the projects more specifically described in this Order.

Section 13. The County hereby covenants that it will take, or refrain from taking, any and all actions necessary to comply with the provisions of Section 103 and Sections 141 through 150, inclusive, of the Internal Revenue Code of 1986, as amended (the "Code"), applicable to the Bonds in order to preserve the status of the interest on the Bonds as excluded from gross income for Federal income tax purposes. Without limiting the generality of the covenant set forth in the preceding sentence, (a) the County will not use or permit the use of any of the proceeds of the Bonds or any of the funds of the County in such manner as would cause the interest on the Bonds to be included in gross income for Federal income tax purposes, (b) the County will regulate the investment of the proceeds of the Bonds so as not to cause any of the Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Code and the Income Tax Regulations thereunder, (c) the County will, if and to the extent necessary make periodic determinations of the rebate amount and timely pay any rebate amount, or installment thereof, to the United States of America, (d) the County will prepare and timely file Internal Revenue Service Form 8038-G, Information Return for Tax-Exempt Governmental Obligations, and (e) the Director of Finance is hereby authorized and directed to prepare or cause to be prepared and to execute and certificate or other document which may be required in order to assure compliance with the applicable provisions of Section 103 and Sections 141 through 150, inclusive, of the Code, and the Income Tax Regulations thereunder.

Section 14. The Chief Administrative Officer shall by subsequent order, award the Bonds to the winning bidder for the Bonds in accordance with the Notice of Sale and this Order, and take such other action as deemed necessary in connection with the issuance and sale of the Bonds.

Section 15. The Chief Administrative Officer and Director of Finance, and such other officers, employees, and agents of the County are hereby authorized and directed to take such actions, and to provide such certifications of facts and estimates regarding the amount and use of the proceeds of the Bonds, as may be necessary or appropriate from time to time to comply with, or to evidence the County's compliance with the covenants set forth in this Order.

Payment of each installment of interest hereon shall be made to the registered owner hereof whose name is registered on the registration books (the "Bond Register") maintained by the Bond Registrar, as of the close of business on the fifteenth day of the calendar month immediately preceding each interest payment date, by check mailed to such registered owner at the address last appearing on the Bond Register.

This Bond is one of a duly authorized issue of general obligation bonds of the County, designated "Montgomery County, Maryland General Obligation Bonds, Consolidated Public Improvement Bonds of 2015, Series B" in the aggregate principal amount of \$_____ (the "Bonds"), all bearing a dated date of _____, and which are of like tenor except as to numbers, maturities, interest rates and principal amounts.

The Bonds are issued pursuant to Sections 10-203 and Section 19-101, respectively, of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2014 Supplement), Resolution No. 16-1104 adopted by the County Council ("County Council") on September 15, 2009, as amended, provisions of the Montgomery County Charter, and Executive Orders of the County Executive of the County, as supplemented.

The Bonds are issuable only in fully registered form without coupons in denominations of \$5,000 or any integral multiple thereof not exceeding the aggregate principal amount maturing in any year.

The Bonds mature, subject to prior redemption, on _____ 1 in each of the years _____ to _____, inclusive, and in the following principal amounts, and bear interest at the following rates per annum:

respective maturities. The Bonds which mature on or after _____ 1, 20____, are subject to redemption beginning _____ 1, 20____, as a whole or in part at any time thereafter, in any order of their maturities, at the option of the County, at a redemption price for each Bond equal to the principal amount of the Bond to be redeemed, together with interest accrued to the date fixed for redemption, without premium.

If the County elects to redeem all or a portion of the Bonds outstanding, it shall give a redemption notice at least thirty (30) days prior to the date of redemption by letter mailed first class, postage prepaid, to the registered owners of the Bonds to be redeemed at their last addresses appearing on the registration books maintained by the Bond Registrar/Paying Agent; provided, however, that so long as DTC or its nominee is the sole registered owner of the Bonds, any redemption notice will be given only to DTC. The failure to mail such notice with respect to a particular bond or any defect in such notice, or in the mailing thereof, shall not affect the sufficiency of proceedings for the redemption of any other bond. The redemption of the Bonds is conditioned upon the deposit of sufficient money for the payment of the redemption price and accrued interest on the Bonds to be redeemed on the date designated for such redemption.

If less than all of the Bonds of any one maturity are called for redemption, the particular bonds, or portions of such bonds, to be redeemed from such maturity shall be selected by the Bond Registrar/Paying Agent, or his successor as bond registrar and paying agent, by lot or other random means in such manner as the Bond Registrar/Paying Agent in its sole discretion may determine, except that so long as the Bonds are held in Book-Entry Form and the Depository Trust Company, New York, New York ("DTC") or its nominee is the sole registered owner of the Bonds, the particular bonds or the portion to be redeemed shall be selected by DTC, in such manner as DTC shall determine. Each \$5,000 portion of a bond shall be treated as a separate bond in the selection of Bonds to be redeemed.

In the event that part, but not all of any Bond is called for redemption, DTC, in its discretion, may (i) request the Bond Registrar/Paying Agent to authenticate and deliver a new Bond in accordance with an Order of the County Executive of the County or surrender such Bond to the Bond Registrar/Paying Agent, or (ii) shall make appropriate notation on the Bond indicating the principal amount of such redemption and the date thereof on the Payment Grid attached hereto. The principal amount of this Bond outstanding at any time shall be equal to the lesser of the principal sum shown on the face hereof and such principal sum reduced by the principal amount of any partial redemption of this Bond. Failure of the holder of this Bond to note the principal amount of any partial redemption on the Payment Grid attached hereto, or any inaccuracy therein, shall not affect the payment obligation of the County hereunder. THEREFORE, IT CANNOT BE DETERMINED FROM THE FACE OF THIS BOND WHETHER A PORTION OF THE PRINCIPAL OF THIS BOND HAS BEEN PAID.

This Bond is transferable only upon the Bond Register by the registered owner hereof in person or by the registered owner's attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer in the form of the Assignment shown hereon or such other form as shall be satisfactory to the Bond Registrar/Paying Agent, duly executed by the registered owner or the registered owner's duly authorized attorney. Within a reasonable time after such surrender, the County shall issue in the name of the transferee or transferees a new bond or bonds of any authorized denomination, in an

aggregate principal amount equal to the principal amount of this Bond, and maturing on the same date and bearing interest at the same rate as this Bond. The new bond or bonds shall be delivered to the transferee or transferees only after payment of any required tax or other governmental charge relating to such transfer and only after due authentication thereof by an authorized officer of the Bond Register.

No Bonds will be transferred unless DTC determines to discontinue providing its services as securities depository or directs that the Bonds be reregistered in a different name, or unless DTC is removed by the County as provided herein. Transfers of beneficial ownership of the Bonds will be effected on the records of DTC and its Participants pursuant to rules and procedures established by DTC.

The County may, in its discretion, at any time, replace any Depository as the depository for the Bonds with another qualified Depository or discontinue the maintenance of the Bonds under a book-entry system upon at least 30 days prior notice to the Depository (or such fewer number of days as shall be acceptable to such Depository). A copy of such notice shall be delivered promptly to the Paying Agent/Registrar.

If the County discontinues the maintenance of the Bonds under the Book-Entry System, the County will issue or cause to be issued replacement certificated bonds directly to direct or indirect participants of DTC or its nominee ("Participants") as shown on the records of DTC or, to the extent requested in writing by any Participant in a form satisfactory to the County, to the beneficial owners of the Bonds. The County shall make provisions to notify Participants and the beneficial owners of the Bonds, by mailing an appropriate notice to DTC, or by other means deemed appropriate by the County in its discretion, that it will issue replacement bonds directly to the Participants as shown on the records of DTC or, to the extent requested in writing by any Participant, to the beneficial owners of the Bonds shown on the records of such Participant, as of a date set forth in such notice, which shall be a date at least 10 days after the date of mailing of such notice (or such fewer number of days as shall be acceptable to the DTC).

In the event that replacement bonds are to be issued to Participants or to beneficial owners of the Bonds, the County shall promptly have prepared replacement bonds in certificated form registered in the names of such Participants as shown on the records of DTC or, if requested in writing by such Participants, in the names of the beneficial owners of the Bonds, as shown on the records of such Participants as of the date set forth in the notice delivered in accordance with the immediately preceding paragraph. Replacement bonds issued to Participants or to beneficial owners shall be in authorized denominations and be in fully registered form in substantially the form set forth in an order of the County Executive.

Replacement bonds issued to DTC shall have the same terms, form and content as the Bonds initially registered in the name of DTC or its nominee to be replaced except for the name of the record owner.

DTC or its nominee and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that neither the County nor the Bond Registrar /Paying Agent shall have any liability for the failure of any Depository to perform its obligations to the Participants and the

Dated: Date of Initial Delivery

Due: As shown on inside front cover

The Consolidated Public Improvement Bonds of 2015, Series B (the "Bonds") are issuable by Montgomery County, Maryland (the "County") in fully registered form in denominations of \$5,000 or any integral multiple thereof. Interest on the Bonds will be payable semi-annually on each June 1 and December 1, commencing June 1, 2016 until maturity. The County will perform the paying agency and registrar services described in this Official Statement; provided that if the book-entry only system is discontinued, the County will appoint a financial institution to perform such services on its behalf (the County and any paying agent/registrar subsequently appointed are hereinafter collectively referred to as the "Paying Agent/Registrar"). Except as otherwise governed by the procedures of The Depository Trust Company, New York, New York ("DTC"), payments of principal of and premium, if any, and interest on the Bonds will be payable to the registered holder when due upon presentation to the Paying Agent/Registrar.

The Bonds are available only in book-entry form, registered in the name of Cede & Co., as nominee of DTC, acting as securities depository for the Bonds. So long as the Bonds are registered in the name of Cede & Co., the payment of the principal of, premium, if any, and interest on the Bonds will be made by the County to DTC. DTC is required to remit such payments to DTC participants, who are required in turn to remit such payments to beneficial owners, as described in this Official Statement. Purchasers of the Bonds will not receive certificates representing their ownership interest in the Bonds.

In the opinion of Bond Counsel, under existing law, the Bonds, their transfer, the interest payable on them, and any income derived from them, including any profit realized in their sale or exchange, shall be exempt from taxation of any kind by the State of Maryland or by any of its political subdivisions, or any other public entity. No opinion is expressed as to estate or inheritance taxes, or any other taxes not levied or assessed directly on the Bonds, their transfer or the interest therefrom. Assuming compliance with certain covenants described herein, under existing statutes, regulations and decisions, interest on the Bonds will be excludable from gross income for federal income tax purposes. Interest on the Bonds for federal income tax purposes is not includable in the alternative minimum taxable income of individuals, corporations or other taxpayers as an enumerated item of tax preference or other specific adjustment; however, interest on the Bonds may be taken into account in determining "adjusted current earnings" for purposes of computing the alternative minimum tax for corporations, and interest on the Bonds will be subject to the branch profits tax imposed on foreign corporations engaged in a trade or business in the United States of America. See "TAX MATTERS."

DESCRIPTION OF THE BONDS

Purpose of the Bonds

The proceeds of the Bonds will be used to (i) pay the costs of issuing the Bonds, (ii) finance and refinance the acquisition, construction and equipping of certain public facilities in the County (the "Consolidated Public Improvement Projects") described in the County's Approved FY15-20 Capital Improvements Program, and (iii) refinance all or a portion of the County's outstanding Consolidated Public Improvement Commercial Paper Bond Anticipation Notes, 2009 Series and Consolidated Public Improvement Commercial Paper Bond Anticipation Notes, 2010 Series, which such notes were used to finance and refinance the acquisition, construction and equipping of certain Consolidated Public Improvement Projects, as described in Section 20-14 of the Montgomery County Code (the "County Code"), as amended, as follows: General County (\$ _____), Roads and Storm Drainage (\$ _____), Public Schools and Community College (\$ _____), Mass Transit (\$ _____), and Housing (\$ _____).

Authority for the Bonds

The Bonds are consolidated and issued pursuant to Section 10-203 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2014 Supplement); Section 19-101 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2014 Supplement); Chapter 43 of the Laws of Montgomery County of 2006, Chapter 12 of the Laws of Montgomery County of 2007, Chapter 36 of the Laws of Montgomery County of 2008, Chapter 22 of the Laws of Montgomery County of 2009, Chapter 54 of the Laws of Montgomery County of 2010, Chapter 24 of the Laws of Montgomery County of 2011, Chapter 19 of the Laws of Montgomery County of 2012, Chapter 26 of the Laws of Montgomery County of 2013 and Chapter 31 of the Laws of Montgomery County of 2014; Resolution No. 16-1104 of the County Council of Montgomery County, Maryland, adopted on September 15, 2009, as amended; the Montgomery County Code; certain provisions of the Montgomery County Charter (the "Charter"); and an Executive Order of the County Executive of the County, as supplemented.

Security for the Bonds

The Bonds are general obligation bonds of the County and constitute an irrevocable pledge of its full faith and credit and unlimited taxing power. Such Bonds are payable from ad valorem taxes, unlimited as to rate or amount, on all real, tangible personal and certain intangible property subject to taxation at full rates for local purposes in the County.

Additionally, Section 312 of the Charter of Montgomery County, Maryland provides as follows: "...If at any time the Council shall have failed to appropriate and to make available sufficient funds to provide for the timely payment of the interest and principal then due upon all County indebtedness, it shall be the duty of the Director of Finance to pay, or to make available for payment, to the holders of such indebtedness from the first revenues thereafter received applicable to the general funds of the County, a sum equal to such interest and principal."

Redemption Provisions

Bonds which mature on or before December 1, 2023, are not subject to redemption prior to their respective maturities. Bonds which mature on or after December 1, 2024, are subject to redemption beginning December 1, 2023 as a whole or in part at any time thereafter, in any order of their maturities, at the option of the County, at a redemption price for each bond equal to the principal amount of the Bond to be redeemed, together with interest accrued to the date fixed for redemption, without premium.

If less than all of the Bonds of any one maturity are called for redemption, the particular bonds, or portions of such bonds, to be redeemed from such maturity shall be selected by the Director of Finance of the County, acting as bond registrar and paying agent for the Bonds, or its successor as bond registrar and paying agent (the "Bond Registrar/Paying Agent") by lot or other random means in such manner as the Bond Registrar/Paying Agent in its sole discretion may determine, except that so long as DTC or its nominee is the sole registered owner of the Bonds, the particular bonds or

portion to be redeemed shall be selected by DTC, in such manner as DTC shall determine. Each \$5,000 portion of a bond shall be treated as a separate bond in the selection of the Bonds to be redeemed.

If the County elects to redeem all or a portion of a series of the Bonds outstanding, it shall give a redemption notice to the registered owners of such Bonds to be redeemed by publication at least once, at least thirty (30) days prior to the date of redemption, in a newspaper of general circulation in the County. The County shall also give a redemption notice by letter mailed first class, postage prepaid, to the registered owners of the Bonds to be redeemed at their last addresses appearing on the registration books maintained by the Bond Registrar/Paying Agent; provided, however, that so long as DTC or its nominee is the sole registered owner of such Bonds, any redemption notice will be given only to DTC. The failure to mail such notice with respect to a particular bond or any defect in such notice, or in the mailing thereof, shall not affect the sufficiency of proceedings for the redemption of any other bond. The redemption of the Bonds is conditioned upon the deposit of sufficient money for the payment of the redemption price and accrued interest on the Bonds to be redeemed on the date designated for such redemption.

Notwithstanding the foregoing, so long as the Bonds are maintained under a book-entry system, selection of the Bonds to be redeemed shall be made in the manner described below under "Book-Entry Only System" and notice of redemption shall be mailed only to DTC.

Book-Entry Only System

The information contained in the following paragraphs of this subsection "Book-Entry Only System" has been extracted from a schedule prepared by DTC entitled "SAMPLE OFFERING DOCUMENT LANGUAGE DESCRIBING BOOK-ENTRY ONLY ISSUANCE." The County makes no representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

General. DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond will be issued for each maturity of the Bonds in principal amount equal to the aggregate principal amount of the Bonds of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive

written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Bonds, such as redemptions and defaults. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Paying Agent/Registrar and request that copies of the notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

So long as a nominee of DTC is the registered owner of the Bonds, references herein to the bondholders or the holders or owners of the Bonds shall mean DTC and shall not mean the Beneficial Owners of the Bonds. The County and the Paying Agent/Registrar will recognize DTC or its nominee as the holder of all of the Bonds for all purposes, including the payment of the principal of and interest on, and the purchase price of, the Bonds, as well as the giving of notices. Neither the County nor the Paying Agent will have any responsibility or obligation to Direct or Indirect Participants or Beneficial Owners with respect to payments or notices to Direct or Indirect Participants or Beneficial Owners.

So long as the Bonds are held by DTC under a book-entry system, principal and interest payments and any premium on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Direct or Indirect Participant and not of DTC, DTC's nominee, the Paying Agent or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest or premium to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County or its Paying Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

Book-Entry Only System — Miscellaneous. The information in the Section "Book-Entry Only System — General" has been obtained from DTC. The County takes no responsibility for the accuracy or completeness thereof. The County will have no responsibility or obligation to DTC Participants or the persons for whom they act as nominees with respect to the payments to or the providing of notice to the DTC Participants, or the Indirect Participants, or

Beneficial Owners. The County cannot and does not give any assurance that DTC Participants or others will distribute principal and interest payments paid to DTC or its nominees, as the registered owner, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or that DTC will serve and act in the manner described in this Official Statement.

Discontinuation of Book-Entry Only System. DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered. The County may also decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered.

In the event that the Book-Entry Only System is discontinued, the Bonds in fully certificated form will be issued as fully registered Bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof. Such Bonds will be transferable only upon the registration books kept at the principal office of the Paying Agent/Registrar, by the registered owner thereof in person, or by an attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer in the form attached thereto and satisfactory to the Paying Agent/Registrar, and duly executed by the registered owner or a duly authorized attorney. Within a reasonable time of such surrender, the County shall cause to be issued in the name of the transferee a new registered Bond or Bonds of any of the authorized denominations in an aggregate principal amount equal to the principal amount of the Bond surrendered and maturing on the same date and bearing interest at the same rate. The new Bond or Bonds shall be delivered to the transferee only after due authentication by an authorized officer of the Paying Agent/Registrar. The County may deem and treat the person in whose name a Bond is registered as the absolute owner thereof for the purpose of receiving payment of or on account of the principal or redemption price thereof and interest due thereon and for all other purposes.

In the event that the Book-Entry Only System is discontinued, the Bonds may be transferred or exchanged at the principal office of the Paying Agent/Registrar. Upon any such transfer or exchange, the County shall execute and the Paying Agent/Registrar shall authenticate and deliver a new registered Bond or Bonds without coupons of any of the authorized denominations in an aggregate principal amount equal to the principal amount of the Bond exchanged or transferred, and maturing on the same date and bearing interest at the same rate. In each case, the Paying Agent/Registrar may require payment by any holder of Bonds requesting exchange or transfer of Bonds of any tax, fee or other governmental charge, shipping charges and insurance that may be required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the holder of Bonds for such exchange or transfer. The Paying Agent/Registrar shall not be required to transfer or exchange any Bond after the mailing of notice calling such Bond or portion thereof for redemption as previously described; provided, however, that the foregoing limitation shall not apply to that portion of a Bond in excess of \$5,000 which is not being called for redemption.

THE COUNTY AND PAYING AGENT CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO ITS PARTICIPANTS OR THAT DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL DISTRIBUTE TO BENEFICIAL OWNERS OF THE BONDS (A) PAYMENTS OF THE PRINCIPAL OF, OR INTEREST ON, THE BONDS, OR (B) CONFIRMATION OF OWNERSHIP INTERESTS IN THE BONDS, OR (C) NOTICES, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWING IN DEALING WITH ITS PARTICIPANTS ARE ON FILE WITH DTC.

Current Developments

On January 28, 2013 in a case in which the County is not a party captioned *Maryland State Comptroller of the Treasury v. Brian Wynne, et al.*, 431 Md. 147 (2013), the Maryland Court of Appeals ruled that the failure of the Maryland income tax law to allow a credit against the county tax of a Maryland resident taxpayer with respect to activities in another state and that is taxed in that state violates the dormant Commerce Clause of the United States Constitution. In a decision rendered on May 18, 2015, the Supreme Court of the United States upheld the decision of the Maryland Court of Appeals. This decision may cause each county in the State to realize a reduction in income tax revenue distributions from the State.

Based on preliminary protective claim data from the Comptroller for the State of Maryland (Comptroller), the County estimates that the total amount of income tax refunds for tax years 2007 through 2014, including interest, attributable to the Wynne case could be \$135.7 million for Montgomery County. As the Comptroller issues refunds to eligible taxpayers, the refunds will be paid from the Local Reserve Account (Account), which is maintained by the State, and each county and municipality affected by the Wynne decision, will reimburse the Account for its share of related refunds and interest. If an affected local government does not reimburse the Account in a timely fashion, the Comptroller will withhold the amount owed to the Account from the quarterly income tax distributions in nine (9) equal installments starting in November 2016 until the Account is fully reimbursed. The County anticipates it will allow the Comptroller to reimburse the Account by withholding quarterly income tax distributions owed to the County by installments beginning in November 2016. The County estimates that the impact for Montgomery County from four installments in fiscal year 2017 (FY17) and four installments in FY18 will be \$60.3 million each fiscal year, and a single installment payment of \$15.1 million in FY19. In addition to refunds for prior tax years, there is an estimated annual impact of \$16.4 million starting with tax year 2015 – and impacting FY17 - as eligible taxpayers reduce their income tax payment to the County to reflect the deductibility of out-of-state income taxes against the local income tax. This estimated annual impact will be a permanent reduction of County income tax collections going forward.

TAX MATTERS

In rendering its opinion with respect to the Bonds, Bond Counsel will rely without investigation on certifications provided by the County with respect to certain material facts within the knowledge of the County relevant to the tax-exempt status of interest on the Bonds.

The following is only a general summary of certain provisions of the Internal Revenue Code of 1986, as amended (the "Code") as enacted and in effect on the date hereof and does not discuss all aspects of federal income taxation that may be relevant to a particular holder of the Bonds in light of such holder's particular circumstances and income tax situation. Each holder of the Bonds should consult such holder's tax advisors as to the specific consequences to such holder of the ownership and disposition of the Bonds, including the application of state, local, foreign and other tax laws.

Maryland Income Taxation

In the opinion of Bond Counsel, under existing law, the Bonds, their transfer, the interest payable on them, and any income derived from them, including any profit realized in their sale or exchange, shall be exempt from taxation of any kind by the State of Maryland or by any of its political subdivisions, or any other public entity. No opinion is expressed as to estate or inheritance taxes, or any other taxes not levied or assessed directly on the Bonds or the interest thereon. Interest on the Bonds may be subject to state or local income taxes in jurisdictions other than the State of Maryland under applicable state or local tax laws. Purchasers of the Bonds should consult their own tax advisors with respect to the taxable status of the Bonds in jurisdictions other than Maryland.

Federal Income Taxation

In the opinion of Bond Counsel, assuming compliance with certain covenants described herein and under existing statutes, regulations, and decisions, interest on the Bonds will be excludable from gross income for federal income tax purposes.

Under the provisions of the Code, there are certain restrictions that must be met subsequent to the delivery of the Bonds, including restrictions that must be complied with throughout the term of the Bonds in order that the interest thereon be excludable from gross income. These include the following: (i) a requirement that certain earnings received from the investment of the proceeds of the Bonds be rebated to the United States of America under certain circumstances (or that certain payments in lieu of rebate be made); (ii) other requirements applicable to the investment of the proceeds of the Bonds; and (iii) other requirements applicable to the use of the proceeds of the Bonds and the facilities financed or refinanced with such proceeds. Failure to comply with one or more of these requirements could result in the inclusion of the interest payable on the Bonds in gross income for federal income tax purposes, effective from the date of their issuance. The County has covenanted to regulate the investment of the proceeds of the Bonds and to take such other actions as may be required to maintain the excludability from gross income for federal income tax purposes of interest on the Bonds.

Further, under existing statutes, regulations and decisions, Bond Counsel is of the opinion that interest on the Bonds is not includable in the alternative minimum taxable income of individuals, corporations or other taxpayers as an enumerated item of tax preference or other specific adjustment. However, for purposes of calculating the corporate alternative minimum tax, a corporation subject to such tax will be required to increase its alternative minimum taxable income by 75% of the amount by which its "adjusted current earnings" exceed its alternative minimum taxable income (computed without regard to this current earnings adjustment and the alternative tax net operating loss deduction). For such purposes, "adjusted current earnings" will include, among other items, interest income from the Bonds. In addition, interest income on the Bonds will be subject to the branch profits tax imposed by the Code on certain foreign corporations engaged in a trade or business in the United States of America.

In rendering its opinion, Bond Counsel will rely, without independent investigation on the representations of certain officials of the County made on behalf of the County in its Tax and Section 148 Certificate with respect to certain material facts within the knowledge of the County relevant to the tax-exempt status of interest on the Bonds.

Certain Other Federal Tax Considerations

There are other federal tax consequences of ownership of obligations such as the Bonds under certain circumstances, including the following: (i) deductions are disallowed for certain expenses of taxpayers allocable to interest on tax-exempt obligations, as well as interest on indebtedness incurred or continued to purchase or carry tax-exempt obligations and interest expense of financial institutions allocable to tax-exempt interest, (ii) for property and casualty insurance companies, the amount of the deduction for losses incurred must be reduced by 15% of the sum of tax-exempt interest income and the deductible portion of dividends received by such companies; (iii) interest income that is exempt from tax must be taken into account for the purpose of determining whether, and what amount of, social security or railroad retirement benefits are includable in gross income for federal income tax purposes; (iv) for S corporations having Subchapter C earnings and profits, the receipt of certain levels of passive investment income, which includes interest on tax-exempt obligations such as the Bonds, can result in the imposition of tax on such passive investment income and, in some cases, loss of S corporation status; and (v) net gain realized upon the sale or other disposition of the Bonds generally must be taken into account when computing the 3.8% Medicare tax with respect to net investment income imposed on certain high income individuals and certain trusts and estates.

Purchase, Sale and Retirement of Bonds

Except as noted below in the case of market discount, the sale or other disposition of a Bond will normally result in capital gain or loss to its holder. A holder's initial tax basis in a Bond will be its cost. Upon the sale or retirement of a Bond, for federal income tax purposes, a holder will recognize capital gain or loss upon the disposition of such security (including sale, early redemption or payment at maturity) in an amount equal to the difference between (a) the amount received upon such disposition and (b) the tax basis in such Bond, determined by adding to the original cost basis in such Bond the amount of original issue discount that is treated as having accrued as described below under "TAX MATTERS -- Tax Accounting Treatment of Discount Bonds." Such gain or loss will be a long-term capital gain or loss if at the time of the sale or retirement the Bond has been held for more than one year. Present law taxes both long and short-term capital gains of corporations at the rates applicable to ordinary income. For noncorporate taxpayers, however, short-term capital gains are taxed at the rates applicable to ordinary income, while net capital gains are taxed at lower rates. Net capital gains are the excess of net long-term capital gains (gains on capital assets held for more than one year) over net short-term capital losses.

Market Discount

If a holder acquires a Bond after its original issuance at a discount below its principal amount (or in the case of a Bond issued at an original issue discount, at a price that produces a yield to maturity higher than the yield to maturity at which such bond was first issued), the holder will be deemed to have acquired the Bond at "market discount," unless the amount of market discount is *de minimis*, as described in the following paragraph. If a holder that acquires a Bond with market discount subsequently realizes a gain upon the disposition of the Bond, such gain shall be treated as taxable interest income to the extent such gain does not exceed the accrued market discount attributable to the period during which the holder held such Bond, and any gain realized in excess of such market discount will be treated as capital gain. Potential purchasers should consult their tax advisors as to the proper method of accruing market discount.

In the case of a Bond not issued at an original issue discount, market discount will be *de minimis* if the excess of the Bond's stated redemption price at maturity over the holder's cost of acquiring the Bond is less than 0.25% of the stated redemption price at maturity multiplied by the number of complete years between the date the holder acquires the Bond and its stated maturity date. In the case of a Bond issued with original issue discount, market discount will be *de minimis* if the excess of the Bond's revised issue price over the holder's cost of acquiring the Bond is less than 0.25% of the revised issue price multiplied by the number of complete years between the date the holder acquires the Bond and its stated maturity date. For this purpose, a Bond's "revised issue price" is the sum of (i) its original issue price and (ii) the aggregate amount of original issue discount that is treated as having accrued with respect to the Bond during the period between its original issue date and the date of acquisition by the holder.

Amortizable Bond Premium

A Bond will be considered to have been purchased at a premium if, and to the extent that, the holder's tax basis in the Bond exceeds the amount payable at maturity (or, in the case of a Bond callable prior to maturity, the amount payable on the earlier call date). Under tax regulations applicable to the Bonds, the amount of the premium would be determined with reference to the amount payable on that call date (including for this purpose the maturity date) which produces the lowest yield to maturity on the Bonds. The holder will be required to reduce his tax basis in the Bond for purposes of determining gain or loss upon disposition of the Bond by the amount of amortizable bond premium that accrues, determined in the manner prescribed in the regulations. Generally, no deduction (or other tax benefit) is allocable in respect of any amount of amortizable bond premium on the Bonds.

Tax Accounting Treatment of Discount Bonds

Certain maturities of the Bonds may be issued at an initial public offering price which is less than the amount payable on such Bonds at maturity (the "Discount Bonds"). The difference between the initial offering price, at which a substantial amount of the Discount Bonds of each maturity was first sold, and the principal amount of such Discount Bonds payable at maturity constitutes original issue discount. The amount of such original issue discount which is treated as having accrued with respect to such Discount Bonds is added to the original cost basis of the holder in determining, for federal income tax purposes, gain or loss upon disposition (including sale, early redemption or repayment at maturity). For federal income tax purposes (a) any holder of a Discount Bond will recognize gain or loss upon the disposition of such Discount Bond (including sale, early redemption or payment at maturity) in an amount equal to the difference between (i) the amount received upon such disposition and (ii) the sum of (1) the holder's original cost basis in such Discount Bond, and (2) the amount of original issue discount attributable to the period during which the holder held such Discount Bond, and (b) the amount of the basis adjustment described in clause (a)(ii)(2) will not be included in the gross income of the holder.

Original issue discount on Discount Bonds will be attributed to permissible compounding periods during the life of any Discount Bonds in accordance with a constant rate of interest accrual method. The yield to maturity of the Discount Bonds of each maturity is determined using permissible compounding periods. In general, the length of a permissible compounding period cannot exceed the length of the interval between debt service payments on the Discount Bonds and must begin or end on the date of such payments. Such yield then is used to determine an amount of accrued interest for each permissible compounding period. For this purpose, interest is treated as compounding periodically at the end of each applicable compounding period. The amount of original issue discount which is treated as having accrued in respect of a Discount Bond for any particular compounding period is equal to the excess of (a) the product of (i) the yield for such Discount Bond (adjusted as necessary for an initial short period) divided by the number of compounding periods in a year multiplied by (ii) the amount that would be the tax basis of such Discount Bond at the beginning of such period if held by an original purchaser who purchased at the initial public offering price, over (b) the amount actually payable as interest on such Discount Bond during such period. For purposes of the preceding sentence, the tax basis of a Discount Bond, if held by an original purchaser, can be determined by adding to the initial public offering price of such Discount Bond the original issue discount that is treated as having accrued during all prior compounding periods. If a Discount Bond is sold or otherwise disposed of between compounding dates, then interest which would have accrued for that compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Holders of Discount Bonds should note that, under the tax regulations, the yield and maturity of Discount Bonds are determined without regard to commercially reasonable sinking fund payments, and any original issue discount remaining unaccrued at the time that a Discount Bond is redeemed in advance of stated maturity will be treated as taxable gain. Moreover, tax regulations prescribe special conventions for determining the yield and maturity of certain debt instruments that provide for alternative payment schedules applicable upon the occurrence of certain contingencies.

The yields (and related prices) furnished by the successful bidder for the Bonds as shown on the inside cover of this Official Statement may not reflect the initial issue prices for the purpose of determining the original issue discount for federal income tax purposes.

The foregoing summarizes certain federal income tax consequences of original issue discount with respect to the Discount Bonds but does not purport to deal with all aspects of federal income taxation that may be relevant to particular investors or circumstances, including those set out above. Prospective purchasers of Discount Bonds should consider possible state and local income, excise or franchise tax consequences arising from original issue discount on the Discount Bonds. In addition, prospective corporate purchasers should consider possible federal tax consequences arising from original issue discount on such Discount Bonds under the alternative minimum tax or the branch profits tax. The amount of original issue discount considered to have accrued may be reportable in the year of accrual for state and local tax purposes or for purposes of the alternative minimum tax or the branch profits tax without a corresponding receipt of cash with which to pay any tax liability attributable to such discount. Purchasers with questions concerning the detailed tax consequences of transactions in the Discount Bonds should consult their tax advisors.

Legislative Developments

Legislative proposals recently under consideration or proposed after issuance and delivery of the Bonds could adversely affect the market value of the Bonds. Further, if enacted into law, any such proposal could cause the interest on the Bonds to be subject, directly or indirectly, to federal income taxation and could otherwise alter or amend one or more of the provisions of federal tax law described above or their consequences. Prospective purchasers of the Bonds should consult with their tax advisors as to the status and potential effect of proposed legislative proposals, as to which Bond Counsel expresses no opinion.

CONTINUING DISCLOSURE UNDERTAKING

In order to enable participating underwriters, as defined in Rule 15c2-12 of the Securities Exchange Act of 1934 ("Rule 15c2-12") to comply with the requirements of paragraph (b)(5) of Rule 15c2-12, the County will execute and deliver a continuing disclosure agreement (the "Continuing Disclosure Agreement") on or before the date of issuance and delivery of the Bonds, the form of which is attached to this Official Statement as Appendix B. Potential purchasers of the Bonds should note that the definition of Reportable Events in Appendix B is intended to completely restate the events specified in Rule 15c2-12. It is noted that certain Reportable Events are expected to have no applicability to the Bonds, such as the possibility of unscheduled draws on debt service reserves and matters affecting collateral for the Bonds.

With the exception of the following, the County has complied in all material respects with its continuing disclosure undertakings pursuant to Rule 15c2-12 during the last five years. The County has established procedures to ensure that the County will fulfill the requirements of its continuing disclosure obligations for its bonds in the future.

- When filing information with the continuing disclosure service established by the Municipal Securities Rulemaking Board known as the Electronic Market Access System ("EMMA"), the County inadvertently failed to index properly certain filings made with respect to the Solid Waste Disposal Waste Disposal System Refunding Revenue Bonds (the "2003 Solid Waste Bonds") issued on behalf of the County by the Northeast Maryland Waste Disposal Authority (the "Authority") in Fiscal Years 2010 and 2012. To the extent a filing was made without all of the associated CUSIP numbers, the filing was otherwise available in connection with filings made by the County or the Authority. The 2003 Solid Waste Bonds are no longer outstanding.
- In connection with its continuing disclosure obligations with respect to certain bonds issued by the County on behalf of the Department of Liquor Control and various development and parking lot districts, the County failed to timely file or failed to file portions of its operating data during the last five years. The County has subsequently filed the necessary operating data with respect to such bonds on EMMA.
- The County failed to file notice of a rating change in connection the upgrade of the County's Revenue Bonds (Department of Liquor Control) issued by Standard & Poor's Rating Group in July 2013.

LEGALITY OF THE BONDS

The authorization, sale, issuance and delivery of the Bonds will be subject to legal approval by McKennon Shelton & Henn LLP, Bond Counsel, and a copy of their unqualified approving legal opinion with respect to the Bonds will be delivered upon request, without charge, to the successful bidder for the Bonds. The opinion is expected to be substantially in the form of the draft opinion attached to this Official Statement as Appendix A.

LITIGATION

The County is currently processing numerous claims for damages and is also a defendant in a number of lawsuits which are expected to be paid, when applicable, through its self-insurance program. In addition to those suits in which claims for liability are adequately covered by insurance, the County is a defendant in various suits involving tort claims, violations of civil rights, breach of contract, inverse condemnation, and other suits and actions arising in the normal course of business. In the opinion of the County Attorney, the possible liability of the County in the resolution of these cases will not materially affect the County's ability to perform its obligations to the holders of the Bonds.

As described herein under "THE COUNTY – Current Developments," the United States Supreme Court upheld the decision of the Maryland Court of Appeals which held that the failure of the Maryland income tax law to allow a credit against the county tax of a Maryland resident taxpayer with respect to activities in another state and that is taxed in that state, violates the dormant Commerce Clause of the United States Constitution. For a discussion regarding the financial impact of the Wynne litigation to the County please see "THE COUNTY – Current Developments."

Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

FORM APPROVING OPINION OF BOND COUNSEL

(This page has been left blank intentionally.)

[Form of Bond Counsel Opinion]

County Executive and County Council
of Montgomery County, Maryland
Rockville, Maryland

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance by Montgomery County, Maryland (the "County") of its Consolidated Public Improvement Bonds of 2015, Series B (the "Bonds").

The Bonds are dated the date of their initial delivery, and are issued in fully registered in form in the denomination of \$5,000 each or any integral multiple thereof. The Bonds are issued pursuant to (i) Section 10-203 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2014 Supplement), Section 19-101 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2014 Supplement), Chapter 36 of the Laws of Montgomery County of 2008, Chapter 22 of the Laws of Maryland of 2009, Chapter 54 of the Laws of Montgomery County of 2010, Chapter 24 of the Laws of Montgomery County of 2011, Chapter 19 of the Laws of Montgomery of 2012, Chapter 26 of the Laws of Montgomery County of 2013 and Chapter 31 of the Laws of Montgomery County of 2014 (collectively, the "Enabling Laws"); (ii) Resolution No. 16-1104 adopted by the County Council on October 20, 2009, as amended (the "Resolution"); (iii) Chapter 20 of the Montgomery County Code (the "Code"); (iv) provisions of the Montgomery County Charter (the "Charter"); and (v) an Executive Order of the County Executive of the County, as amended and supplemented (the "Order").

In rendering this opinion, we have relied without investigation on the County's Tax and Section 148 Certificate dated this date made on behalf of the County by officers thereof with respect to certain material facts within the knowledge of the County relevant to the tax-exempt status of interest on the Bonds.

With respect to the executed and authenticated Bond that we have examined, and the Bonds similarly executed and identical thereto in form except for numbers, interest rates, denominations, and maturities, and under existing statutes, regulations, and decisions, we are of the opinion that:

(a) The County is a validly created and existing body politic and corporate and political subdivision of the State of Maryland, possessing authority under the Enabling Laws, the Charter, the Code, the Resolution and the Order to issue the Bonds.

(b) The Bonds constitute an irrevocable pledge of the full faith and credit and unlimited taxing power of the County, and for the payment of which the County is empowered to levy ad valorem taxes upon all assessable property within the corporate limits of the County.

(c) To provide for the payment of the principal of and interest on the Bonds, the County has covenanted to levy or cause to be levied ad valorem taxes upon all the assessable property within the corporate limits of the County, in rate and amount sufficient for that purpose in each fiscal year in which provision must be made for the payment of such principal and interest.

(d) The Bonds, their transfer, the interest payable on them, and any income derived from them, including any profit realized in their sale or exchange, shall be exempt from taxation of any kind by the State of Maryland or by any of its political subdivisions, or any other public entity. No opinion is expressed as to estate or inheritance taxes, or any other taxes not levied or assessed directly on the Bonds or the interest thereon.

(e) Assuming compliance with certain covenants referred to herein, interest on the Bonds will be excludable from gross income for federal income tax purposes under existing statutes, regulations and decisions. It is noted that under the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), there are certain restrictions that must be met subsequent to the delivery of the Bonds, including restrictions that must be complied with throughout the term of the Bonds, in order that the interest thereon be excludable from gross income.

These include (i) a requirement that certain investment earnings received from the investment of the proceeds of the Bonds be rebated (or that certain payments in lieu of rebate be made) to the United States of America under certain circumstances; (ii) other requirements applicable to the investment of the proceeds of the Bonds; and (iii) requirements applicable to the use of the proceeds of the Bonds and the use of the facilities financed or refinanced with such proceeds. Failure to comply with one or more of these requirements could result in the inclusion of the interest payable on the Bonds in gross income for federal income tax purposes, effective from the date of their issuance. The County has covenanted to regulate the investment of the proceeds of the Bonds and to take such other actions as may be required to maintain the excludability of interest on the Bonds from gross income for federal income tax purposes.

(f) Interest on the Bonds is not includable in the alternative minimum taxable income of individuals, corporations or other taxpayers as an enumerated item of tax preference or other specific adjustment. However, for purposes of calculating the corporate alternative minimum tax, a corporation subject to tax will be required to increase its alternative minimum taxable income by 75% of the amount by which its "adjusted current earnings" exceed its alternative minimum taxable income (computed without regard to this current earnings adjustment and the alternative tax net operating loss deduction). For such purposes, "adjusted current earnings" would include, among other items, interest income from the Bonds. In addition, interest income on the Bonds will be subject to the branch profits tax imposed by the Code on certain foreign corporations engaged in a trade or business in the United States of America.

The opinions expressed above are limited to the matters set forth above, and no other opinions should be inferred beyond the matters expressly stated. We assume no obligation to supplement this opinion if any applicable laws or interpretations thereof change after the date hereof or if we become aware of any facts or circumstances that might change the opinions expressed herein after the date hereof.

Very truly yours,

APPENDIX B

SECTION 6. *Termination of Reporting Obligations.* The County's obligations under this Disclosure Agreement shall terminate upon the payment in full of all of the Bonds either at their maturity or by early redemption. In addition, the County may terminate its obligations under this Disclosure Agreement if and when the County no longer remains an obligated person with respect to the Bonds within the meaning of the Rule.

(3) the amendment does not materially impair the interests of owners of the Bonds, including beneficial owners, as determined by bond counsel selected by the County or by an approving vote of at least 25% of the outstanding principal amount of the Bonds.

(b) The reasons for the County agreeing to provide any further or additional assurances or for any amendment and the impact of the change in the type of financial information or operating data being provided will be explained in narrative form in information provided with the annual financial information containing the additional or amended financial information or operating data.

If the County chooses to include any information in any disclosure made pursuant to Section 3(a) or 3(b) hereof or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the County shall have no obligation under this Disclosure Agreement to update such information or include it in any future disclosure made pursuant to Section 3(a) or 3(b) hereof or notice of occurrence of a Listed Event.

SECTION 9. *Limitation on Remedies and Forum.*

(a) The County shall be given written notice at the address set forth below of any claimed failure by the County to perform its obligations under this Disclosure Agreement, and the County shall be given 15 days to remedy any such claimed failure. SECTION 10. *Beneficiaries.* This Disclosure Agreement shall inure solely to the benefit of the current owners from time to time of the Bonds, including beneficial owners, and shall create no rights in any other person or entity.

SECTION 11. *Relationship to Bonds.* This Disclosure Agreement constitutes an undertaking by the County that is independent of the County's obligations with respect to the Bonds. Any breach or default by the County under this Disclosure Agreement shall not constitute or give rise to a breach or default under the Bonds.

SECTION 12. *Severability.* In case any section or provision of this Disclosure Agreement or any covenant, stipulation, obligation, agreement, or action, or any part thereof, made, assumed, entered into or taken under this Disclosure Agreement, or any application thereof, is for any reason held to be illegal or invalid or is at any time inoperable, such illegality, invalidity or inoperability shall not affect the remainder thereof or any other section or provision of this Disclosure Agreement, or any other covenant, stipulation, obligation, agreement, act or action, or part thereof, made, assumed, entered into or taken under this Disclosure Agreement, which shall at the time be construed and enforced as if such illegal or invalid or inoperable portion were not contained therein.

THE BONDS

Security

The Bonds are general obligations of the County, and its full faith and credit and unlimited taxing power are irrevocably pledged to the punctual payment of principal of and interest on such Bonds when due and payable. See the Preliminary Official Statement under the caption "Security for the Bonds".

Use of Proceeds

The proceeds of the Bonds will be used as described in the Preliminary Official Statement for the Bonds. See the Preliminary Official Statement under the caption "Description of the Bonds - Purpose of the Bonds".

Description of the Bonds

The Bonds will be issued in fully registered form in denominations of \$5,000 or integral multiples thereof, will be dated the anticipated date of delivery (the "Dated Date") set forth in the Bidding Parameters Table, and will bear interest from the Dated Date until paid or duly called for redemption at the annual rate or rates specified by the successful bidder, subject to the limitations specified below, payable as shown on the Bidding Parameters Table. Interest will be computed on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board ("MSRB").

The Bonds will mature on the month and day, in the years and principal amounts shown in the Principal Amortization Schedule, subject in each case to adjustment to the extent permitted in this Official Notice of Sale. See "Adjustments of Amounts and Maturities."

Authority for Issuance

See the Preliminary Official Statement under the caption "Description of the Bonds - Authority for the Bonds".

Book-Entry Only

The Bonds will be issued in fully registered, book-entry only form and a bond certificate for each maturity will be issued to The Depository Trust Company, New York, New York ("DTC"), registered in the name of its nominee, Cede & Co., and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Bonds, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, will be required to deposit the Bonds with DTC, registered in the name of Cede & Co. Principal of, premium, if any, and interest on the Bonds will be payable by the paying agent by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Bonds. Transfer of principal, premium, if any, and interest payments to the beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The County will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. The successful bidder will be required to furnish to DTC within seven days after the sale the customary underwriter's questionnaire and information as to each DTC participant and the Bonds to be held for it. See the Preliminary Official Statement for more information regarding DTC.

Redemption

Optional Redemption

Bonds which mature on or before December 1, 2023 are not subject to redemption prior to their respective maturities. Bonds which mature on or after December 1, 2024, are subject to redemption beginning December 1, 2023, as a whole or in part at any time thereafter, in any order of their maturities, at the option of the County, at a redemption price for

each bond equal to the principal amount of the bond to be redeemed, together with interest accrued to the date fixed for redemption, without premium.

Selection of Bonds to Be Redeemed

If less than all of the Bonds of any one maturity are called for redemption, the particular bonds, or portions of such bonds, to be redeemed from such maturity shall be selected by the Director of Finance of the County, acting as bond registrar and paying agent for the Bonds, or its successor as bond registrar and paying agent (the "Bond Registrar/Paying Agent") by lot or other random means in such manner as the Bond Registrar/Paying Agent in its sole discretion may determine, except that so long as DTC or its nominee is the sole registered owner of the Bonds, the particular bonds or portion to be redeemed shall be selected by DTC, in such manner as DTC shall determine. Each \$5,000 portion of a bond shall be treated as a separate bond in the selection of Bonds to be redeemed.

If the County elects to redeem all or a portion of the Bonds outstanding, it shall give a redemption notice to the registered owners of such Bonds to be redeemed, at least thirty (30) days prior to the date of redemption, by letter mailed first class, postage prepaid, to the registered owners of the Bonds to be redeemed at their last addresses appearing on the registration books maintained by the Bond Registrar/Paying Agent; provided, however, that so long as DTC or its nominee is the sole registered owner of such Bonds, any redemption notice will be given only to DTC. The failure to mail such notice with respect to a particular bond or any defect in such notice, or in the mailing thereof, shall not affect the sufficiency of proceedings for the redemption of any other bond. From and after the date fixed for redemption, if notice has been duly and properly given and if funds sufficient for the payment of the redemption price and accrued interest are available on such date, the Bonds designated for redemption shall cease to bear interest.

Notwithstanding the foregoing, so long as the Bonds are maintained under a book-entry system, selection of the Bonds to be redeemed shall be made in the manner described below under "Book-Entry Only System" and notice of redemption shall be mailed only to DTC.

Adjustment of Amounts and Maturities

Prior to the Sale Date, the County may cancel the sale of the Bonds or adjust the aggregate principal amount and the principal amount of any maturity of the Bonds. The preliminary aggregate principal amount of the Bonds and the preliminary principal amount of each installment payment on the Bonds as set forth in this Official Notice of Sale (the "Preliminary Aggregate Principal Amount" and the "Preliminary Principal Amount", and collectively the "Preliminary Amounts") may be revised before the receipt and opening of the bids for their purchase. **ANY SUCH REVISIONS MADE PRIOR TO THE OPENING OF THE BIDS** (the "Revised Aggregate Principal Amount" and the "Revised Principal Amount", and collectively the "Revised Amounts") **WILL BE PUBLISHED ON THOMPSON MUNICIPAL MARKET MONITOR ("TM3") (www.tm3.com) NOT LATER THAN 9:30 A.M., PREVAILING EASTERN TIME, ON THE SALE DATE FOR THE BONDS.**

In the event that no such revisions are made, the Preliminary Amounts will constitute the Revised Amounts. Bidders shall submit bids based on the Revised Amounts and the Revised Amounts will be used to compare bids and select a winning bidder.

After the receipt and opening of the bids for their purchase, the County may reject the bids for the Bonds or adjust the aggregate principal amount and the principal amount of each maturity of the Bonds; provided that such adjustments are within the limitations set forth in the Bidding Parameters Table, calculated based on the applicable bid amount. The County will consult with the successful bidder before adjusting the amount of any maturity of the Bonds or canceling the sale of the Bonds; however, the County reserves the sole right to make adjustments, within the limits described above, or to cancel the sale of the Bonds. The County intends to notify the successful bidder, if any, of any adjustments made after the opening of the bids promptly and in any event not later than five (5) hours after the bid opening unless waived by the successful bidder. Adjustments within the limits described above will not relieve the successful bidder from its obligation to purchase all of the Bonds offered by the County, assuming the County has satisfied all other conditions of this Official Notice of Sale.

If the principal amount of any maturity of the Bonds is adjusted after the award, the interest rate and reoffering price (as a percentage of the adjusted principal) for each maturity and the Underwriter's Discount, per \$1,000 of par

amount of the Bonds, as submitted by the successful bidder shall be held constant. The "Underwriter's Discount" shall be defined as the difference between the purchase price of the Bonds submitted by the bidder and the price at which the Bonds will be issued to the public, calculated from information provided by the bidder, divided by the par amount of the Bonds bid.

Change or Cancellation of Sale Date and/or Date of Delivery

The County may cancel or postpone the sale of the Bonds prior to the Sale Date. Notice of a cancellation or postponement will be announced via the Thomson Municipal News wire at www.tm3.com not later than 9:30 a.m., prevailing Eastern Time, on the Sale Date. Such notice will specify the revised principal amount or other revised feature, if any, and any later date selected for the sale, which may be postponed or cancelled in the same manner. If the sale is postponed, a later public sale may be held at the hour and place and on such date as communicated on at least twenty-four (24) hours notice via the Thomson Municipal News wire at www.tm3.com.

The County may change the scheduled delivery date for the Bonds by notice given in the same manner as that set forth above.

Preliminary Official Statement; Continuing Disclosure

The County has deemed the Preliminary Official Statement to be final as of its date for purposes of Rule 15c2-12 of the United States Securities and Exchange Commission (the "SEC"), except for the omission of certain information permitted to be omitted by said Rule. The County agrees to deliver to the successful bidder for its receipt no later than seven business days after the date of sale of the Bonds up to 50 copies of the final Official Statement.

The County has made certain covenants for the benefit of the holders from time to time of the Bonds to provide certain continuing disclosure, in order to assist bidders for the Bonds in complying with Rule 15c2-12(b)(5) of the SEC. Such covenants are described in the Preliminary Official Statement.

Electronic Bidding

Procedures

Only electronic bids submitted via PARITY® will be accepted. No other provider of electronic bidding services will be accepted. No bid delivered in person or by facsimile directly to the County will be accepted. Bidders are permitted to submit bids for the Bonds during the bidding time period, provided they are eligible to bid as described under "ELIGIBILITY TO BID" below.

Each bid must be unconditional and received by PARITY® before the Sale Time set forth in the Bidding Parameters Table. No proposal to purchase the Bonds may be withdrawn after the deadline set for receiving bids. Prior to the deadline set for receiving bids, an eligible prospective bidder may, subject to any limitations which may be imposed by PARITY®, modify the proposed terms of its bid in which event the proposed terms last modified will constitute its bid for Bonds. At the deadline stated above for receiving bids, the bidding process will close and each bid shall then constitute an irrevocable offer to purchase the Bonds on the terms provided in the bid and this Official Notice of Sale.

Eligibility to Bid

All prospective bidders shall be solely responsible for making necessary arrangements to access PARITY® for purposes of submitting such bidder's bid in a timely manner and in compliance with the requirements of the County pursuant to this Official Notice of Sale. The County shall have no duty or obligation to provide or assure such access to any bidder. Without limiting the generality of the foregoing, bidders submitting an electronic proposal must fulfill any requirements of the bidding service provider, if any, over and above the requirements of the County set forth in this Official Notice of Sale. Each bidder may contact BiDCOMP at 212-849-5059 for further information regarding its services.

Form of Bid, Interest Rates and Bid Prices

All bids must conform to the requirements of this Official Notice of Sale. Bidders must bid to purchase all maturities of the Bonds. No bid will be considered which does not offer to purchase all of the Bonds. Each bid must specify (i) an annual rate of interest for each maturity, (ii) a reoffering price or yield for each maturity, and (iii) a dollar purchase price for the entire issue of the Bonds.

A bidder must specify the rate of interest per annum per maturity, which the Bonds are to bear, to be expressed in the coupon rate multiples set forth in the Bidding Parameters Table. Any number of interest rates may be named, but the Bonds of each maturity must bear interest at the same single rate for all bonds of that maturity.

Each bid for the Bonds must meet the minimum and maximum coupon and pricing criteria shown in the Bidding Parameters Table on a maturity and aggregate basis.

Each bidder must specify, as part of its bid, the prices or yields at which a substantial amount (i.e., at least 10%) of the Bonds of each maturity will be offered and sold to the public. Reoffering prices presented as a part of the bids will not be used in computing the bidders' true interest cost. As promptly as reasonably possible after bids are received, the County will notify the successful bidder that it is the apparent winner.

Disclaimer

The use of PARITY® electronic bidding shall be at the bidder's risk and expense, and the County shall have no liability with respect thereto. The County is using electronic bidding as a communications medium and solely as a courtesy to prospective bidders. PARITY® is not acting as the County's agent. The County shall assume no responsibility or liability for bids submitted through such electronic bidding service provider. The County shall not be responsible for proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, the approved provider's service. Without limiting the generality of the foregoing disclaimers, the County does not assume responsibility for any communications or negotiations between bidders and any electronic bidding service provider, or for any failure of such a provider to accurately or timely submit any electronic proposal.

Each electronic bid submitted via PARITY® shall be deemed an offer, in response to this Official Notice of Sale, and shall be binding on the bidder as if made by a signed, sealed bid delivered to the County.

Any electronic proposals shall be deemed to incorporate all of the provisions of this Official Notice of Sale. If any provision of this Official Notice of Sale conflicts with information provided by PARITY®, this Official Notice of Sale shall control. The County is not bound by any advice or determination of PARITY® as to whether any bid complies with the terms of this Official Notice of Sale. The time as maintained by PARITY® shall constitute the official time with respect to all bids submitted.

Award of Bid

The County expects to award the Bonds to the winning bidder on the Sale Date. It is anticipated that all bids will be reviewed by the Director of Finance of the County at the time stated above and will be acted on following the opening, tabulation and verification of the bids received. The decision as to the award of the Bonds will be final. Bids may not be withdrawn prior to the award.

The Bonds will be awarded by the County on the Sale Date to the bidder whose bid complies with this Official Notice of Sale and results in the lowest true interest cost to the County. The lowest true interest cost will be determined in accordance with the True Interest Cost ("TIC") method by doubling the semi-annual interest rate, compounded semi-annually, necessary to discount the debt service payments from the payment dates to the Dated Date of the Bonds and to the aggregate purchase price of the Bonds. If two or more bidders offer to purchase the Bonds at the same lowest TIC, such Bonds may be apportioned between such bidders if it is agreeable to each of the bidders who have offered the price producing the same lowest TIC; provided, that if apportionment is not acceptable to such bidders, the County will have the right to award such Bonds to one of such bidders.

Right of Rejection

The County expressly reserves the right (i) to waive any informalities, (ii) to reject all bids, any incomplete bid or any bid not fully complying with all of the requirements set forth herein, and (iii) to solicit new bids or proposals for the sale of the Bonds or otherwise provide for the public sale of the Bonds if all bids are rejected or the winning bidder defaults, including, without limitation, sale of the Bonds to one or more of the losing or rejected bidders without regard to their original bid or its relationship to any other bid.

Delivery and Payment

Delivery of the Bonds will be made by the County to DTC in book-entry only form, in New York, New York on or about the Dated Date, or on or about such other date as may be agreed on by the County and the successful bidder.

At the time of delivery of the Bonds, payment of the amount due for the Bonds must be made by the successful bidder to the order of the County immediately available in federal funds or other funds immediately available to the County, or by such other means as may be acceptable to the Director of Finance of the County. Any expense incurred in providing immediately available funds, whether by transfer of federal funds or otherwise, shall be borne by the purchaser.

Good Faith Deposit

A Good Faith Deposit in the amount of \$3,000,000 is required only of the winning bidder for the Bonds. The winning bidder for the Bonds is required to submit such Good Faith Deposit payable to the order of the County in the form of a wire transfer in federal funds as instructed by the County's Financial Advisor, Davenport & Company LLC. The winning bidder shall submit the Good Faith Deposit not more than two hours after verbal award is made. The winning bidder should provide as quickly as it is available, evidence of wire transfer by providing the County the federal funds reference number. If the Good Faith Deposit is not received in the time allotted, the bid of the winning bidder may be rejected and the County may direct the next lowest bidder to submit a Good Faith Deposit and thereafter may award the sale of the Bonds to the same. If the winning bidder fails to comply with the Good Faith Deposit requirement as described herein, that bidder is nonetheless obligated to pay to the County the sum of \$3,000,000 as liquidated damages due to the failure of the winning bidder to timely deposit the Good Faith Deposit.

Submission of a bid to purchase the Bonds serves as acknowledgement and acceptance of the terms of the Good Faith Deposit requirement.

The Good Faith Deposit so wired will be retained by the County until the delivery of the Bonds, at which time the Good Faith Deposit will be applied against the purchase price of the Bonds or the Good Faith Deposit will be retained by the County as partial liquidated damages in the event of the failure of the successful bidder to take up and pay for such Bonds in compliance with the terms of this Official Notice of Sale and of its bid. No interest on the Good Faith Deposit will be paid by the County. The balance of the purchase price must be wired in federal funds to the account detailed in the closing memorandum, simultaneously with delivery of the Bonds.

CUSIP Numbers; Expenses of the Bidder

It is anticipated that CUSIP numbers will be assigned to each of the Bonds, but neither the failure to type or print such numbers on any of the Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds. The policies of the CUSIP Service Bureau will govern the assignment of specific numbers to the Bonds. The successful bidder will be responsible for applying for and obtaining, subject to the CUSIP Service Bureau policy and procedures, CUSIP numbers for the Bonds promptly upon award of the bid. The CUSIP Service Bureau charges for the assignment of the numbers shall be the responsibility of and shall be paid for by the successful bidder.

All charges of DTC and all other expenses of the successful bidder will be the responsibility of the successful bidder for the Bonds.

Reoffering Prices and Certificate

The successful bidder shall make a bona fide public offering of all of the Bonds and shall represent to the County that such reoffering is in compliance with all applicable securities laws of the jurisdictions in which such Bonds are offered. Within 30 minutes after being notified of the tentative award of the bonds, the successful bidder shall advise the county in writing (via facsimile or e-mail transmission) to Sam Kettermann, Joe Mason or Mason McLean at skettermann@investdavenport.com, jmason@investdavenport.com or mmclean@investdavenport.com, respectively, of the initial public offering prices of the Bonds. The County will review the initial public offering prices for compliance with applicable securities laws prior to final confirmation of the award.

SIMULTANEOUSLY WITH OR BEFORE DELIVERY OF THE BONDS, THE SUCCESSFUL BIDDER SHALL FURNISH TO THE COUNTY A CERTIFICATE ACCEPTABLE TO BOND COUNSEL TO THE EFFECT THAT (I) THE SUCCESSFUL BIDDER HAS MADE A BONA FIDE PUBLIC OFFERING OF EACH MATURITY OF THE BONDS AT THE INITIAL REOFFERING PRICES, (II) AS OF THE DATE OF THE SALE OF THE BONDS, THE SUCCESSFUL BIDDER REASONABLY EXPECTED TO SELL A SUBSTANTIAL AMOUNT OF EACH MATURITY OF THE BONDS TO THE PUBLIC (EXCLUDING BOND HOUSES, BROKERS AND OTHER INTERMEDIARIES) AT THEIR RESPECTIVE REOFFERING PRICES, AND (III) A SUBSTANTIAL AMOUNT OF EACH MATURITY OF THE BONDS WAS SOLD TO THE PUBLIC (EXCLUDING BOND HOUSES, BROKERS AND OTHER INTERMEDIARIES) AT THEIR RESPECTIVE INITIAL REOFFERING PRICES OR SUCH OTHER FACTS REGARDING THE ACTUAL SALE OF THE BONDS AS BOND COUNSEL SHALL REQUEST, AS DESCRIBED BELOW. Bond Counsel advises that (i) such certificate must be made on the best knowledge, information and belief of the successful bidder, (ii) the sale to the public of 10% or more in par amount of each maturity of the Bonds at the initial reoffering prices would be sufficient to certify as of the sale of a substantial amount of the Bonds, and (iii) reliance on other facts as a basis for such certification would require evaluation by Bond Counsel to assure compliance with the statutory requirement to avoid the establishment of an artificial price for the Bonds.
